All transactions receiving discounts, cashbacks or money saving offers of any kind from Power Robbins are on an Execution Only basis. EXECUTION ONLY means that the transaction has been chosen by the investor who understands the risks involved. The investor does not require, and understands he/she will not receive advice about the merits, suitability or any other aspect of the item purchased, now or in the future. The investor should obtain professional advice elsewhere if required. We are happy to give information about insurance policies, and to answer questions about application forms, but we will not provide advice on the suitability of the policy or the merits of the insurance company. We do not provide an after sales service once a correct policy document has been issued. All quotations supplied will be from insurance companies operating in the United Kingdom, who are authorised and regulated by the Financial Services Authority. Quotations will be supplied on the basis of a competitive premium, unless otherwise requested by the customer. Quotations will be based on guaranteed premiums fixed at the outset of the policy, unless otherwise requested by the customer. The customer is expected to have read the insurance company's literature to ascertain all facts before applying.
